

NEXT-GEN nuvella®

PERFORMANCE FABRIC

Luxurious Comfort Easy to Maintain

Machine Washable

Removable washable slipcover allow for easy maintenance and convenience. Spot clean stubborn stains and mildew.

Spot Clean

To keep your fabric looking fresh, tackle spills with mild soap and water. For stubborn stains, mix 4oz bleach with 28oz water, placing a cloth between the fabric and foam cushion to absorb excess moisture. Allow to air dry.

Protective

Our special solution-dyeing process ensures vibrant, long-lasting colors that resist stains and UV rays.

Pet Friendly

The perfect fusion of style and pet-friendly functionality. Our Fabric offers scratch and tear resistant properties built to withstand your pets' most-playful activities.

Durable

Designed to provide exceptional performance and durability, especially in areas that experience heavy use and activity.
